Have you had your homeowners insurance cancelled? Are you concerned about the escalating cost of homeowners insurance on Cape Cod?

WHO WE ARE AND WHY WE'RE WRITING

We are a grassroots group of Cape Cod homeowners searching for solutions to the current insurance dilemma. We want to change the current practices surrounding homeowners insurance. We are working with legislators and representatives at the state and local level to affect change. We are the Citizens for Homeowners Insurance Reform. We ask for your support towards positive change to the present, unfair insurance practices.

OUR GOAL

- Is to bring Cape Cod citizens together to have our voices heard and make positive changes.
- Is to keep insurance companies writing homeowners insurance policies on Cape Cod at a fair and equitable cost.

WHAT YOU CAN DO

1. Continue to call your Legislator or Representative frequently.
2. Learn everything you can about the insurance issues in Massachusetts.
3. Join THE CITIZENS FOR HOMEOWNERS INSURANCE REFORM by SENDING THE STATEMENT BELOW TO THE FAX, E-MAIL OR MAIL ADDRESS ABOVE. This will show there are a large number of homeowners who want change.
